We/I will go to RI for the buckeye balls (I didn't know that you were actually going to make them). Right now we are thinking Friday evening and probably spending the night, then leaving early in the morning as Nikki has all-day trainings to attend on Sat and Sun. Nikki is going to verify the times, but she thinks that it is 10-4. If it's 8-4 or something like that, I may just come down after I drop her off and then have to get back to pick her up. As for the X-mas lists, I'll try to get on it. Are you looking more for stuff for Nikki, or for both of us? (I thought that Nikki gave you some ideas)

Love,

Sonja

Sonja,

When are you sending me your Christmas list for both you and Nikke? I would like to get things for you two that you would like. Also, have you decided if we are coming up there next weekend, are you coming down here or are we meeting somewhere in the middle for you to get the buckeye balls? Either email or call with the information.

Hope both you and Nikki are feeling well.

Love to you both,  
Mom
